BINOM Educational de Tradina Professionist: 4 Manuale cu Undele ELLIOTT – Coaching GRATUIT

Majoritatea traderilor experimentati marturisesc o crestere substantiala a profitului de cand au inceput sa practice tehnica undelor Elliott.

Obiectivul nostru este punerea la dispozitia traderului un *sistem original de educatie* al metodelor de trading moderne bazat pe un BINOM: MANUALE cu COACHING GRATUIT, timp de 12 luni de zile. Conceperea si redactarea acestor patru volume a durat patru ani de munca aprofundata (mai mult de 2 102 de pagini si 2175 de grafice si tabele – vezi EXTRASE).

Ambitia autorului, care l-a ghidat de-a lungul acestei perioade de concepere a manualelor, se exprima in preluarea traderului de la *baza muntelui* si aducerea lui in *zona piscurilor semete unde doar profesionistii pot ajunge...!*

Autorul a conceput aceasta serie de 4 manuale din experienta sa, iar cercetarile facute timp de mai mult de doua decade, l-au condus sa se pozitioneze continuu cu cel putin un pas inaintea celorlalti traderi. Manualele prezentate abordeaza invatarea si practica undelor Elliott din punct de vedere al practicianului impregnata de prezenta continua a riscului si a managementului de capital. Autorul considera aceasta tehnica un real avantaj din punct de vedere al tradingului profesionist. Conceptul autorului cu privire la tranzactionare are radacini adanci in lucrarile si experienta mentorilor nostri in acest domeniu, in decurs de mai bine de 80 de ani: Nelson R. Elliott, A.J. Frost, R. Prechter, Glenn Neely si Zoran Gayer.

Ca o persoana antreprenoriala ce sunteti, astfel nu ati citi aceste randuri, ati luat decizia sa invatati sa practicati sau sa va perfectionati in domeniul undelor Elliott! Nu ezitati... Aceste manuale publicate in limba Engleza si Romana sunt insotite de Coaching gratuit efectuat de catre autor pentru o durata de 12 luni !

Drumul catre succes este unul lung, spinos si plin de ambuscade. O sa ajungeti desigur acolo, daca doriti cu adevarat, dar trebuie sa luptati cu eforturi supreme sustinute, fara de care nimic nu este posibil. Nu degeaba se spune ca traderul este un student etern... !

Dr Mircea Dologa, MD, CTA
Paris-France

De ce Traderi Profesionisti folosesc Tehnica Undelor Elliott?

Majoritatea traderilor care practica undele Elliott au reusit sa-si imbunatateasca rata de profit, cu peste 40%, de cand au inceput sa utilizeze aceasta tehnica.

Simtul realitatii ne obliga sa cautam o tehnica consistenta care sa ne insufe siguranta in deciziile luate si sa asigure un profit consistent si constant. Pentru traderii experimentati meritul tehnicii **undelor Elliott** este evident. Cresterea profitabilitatii nu este garantata numai de asimilarea elementelor teoretice, ci si de modul de aplicare practic.

Daca sunteti interesat in invatarea si practica profesionista a undelor Elliott, descarca **EXTRASE** din **Volumul 1, 2, 3 si 4** in limba Romana, inclusiv **pretul Discount** a publicatiei undelor Elliott.

Despre Dr-ul Mircea Dologa:

Emil: mircdologa@yahoo.com

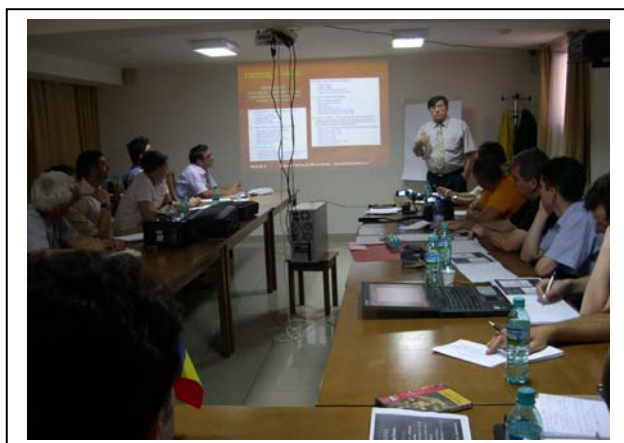

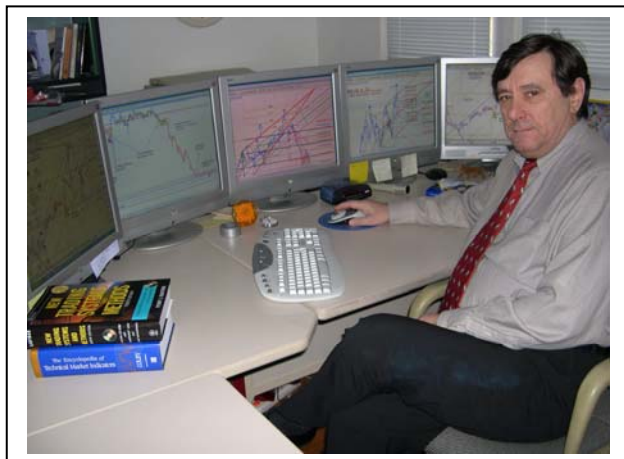

El si-a inceput activitatea de investitor si trader in 1987, in industria farmaceutica si cea imobiliara. Dupa promovarea examenelor aferente (*Series 7 si Series 3*), care sunt sub controlul guvernului Statelor Unite, el obtine cele doua licente indispensabile pentru tranzactionare: *Registered Commodity Trading Adviser (CTA) Licence* si *Registered General Securities Representative - Investment Adviser Licence*. In timpul studiului personal a realizat ca literatura de specialitate si seminariile sufera de o lipsa pronuntata de instrumentelor de utilitate practica, adica adevaratul 'know how'. Dupa studiul a sutelor de carti si numeroase seminarii, aparea aceeaasi intrebare: *Unde este unealta profitabila, imediat aplicabila?* De multe ori, dincolo de informatia standard... nu se gasea nimic util!

Ca Analist Tehnic Certificat (CTA) de National Futures Association din S.U.A., a fondat un *nou concept de predare*, bazat pe aspectele practice ale activitatii imediat profitabile de tranzactionare, ce poate fi utilizat atat de incepatori cat si de traderi experimentati.

Este autorul a mai mult de 100 de articole si este colaborator international al revistelor de specialitate din SUA (*'Technical Analysis of Stocks & Commodities'*, *'Futures'* and *'eSignal.com Education Section'*); Marea Britanie (*'The Technical Analyst'*); Germania (*'Traders'* – editiile in limba Engleza si Germana); Australia (*'Your Trading Edge'*) si Asia (*'The Trader's Journal'*). Este de asemenea fondatorul si presedintele www.pitchforktrader.com & www.elliottwaves-trading.com – doua situri specializate in tranzactionarea pietelor internationale si BVB.

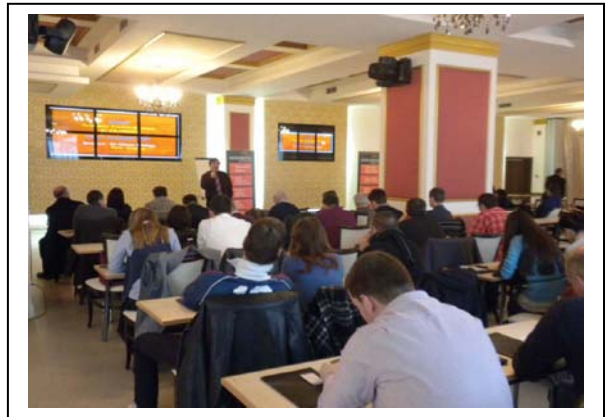

Dr Mircea Dologa a publicat 7 volume, continand peste 3300 pagini, 3250 grafice si 150 fisiere Excel, toate concepute pentru tranzactionarea profesionista. A incercat sa expuna in mod eficient arta tranzactionarii de la nivelul de incepator pana la standardul actual cel mai inalt – nivelul profesionist. Grija principala a autorului, in timpul celor sapte ani de planificare, concepere si scriere a acestor manuale profesioniste, a fost aceea de a prezenta in mod optim aspectele practice ale tranzactionarii.

Dr Mircea Dologa a studiat la New York University si Cooper Union School of Engineering and Science din New York si a absolvit cea din urma institutie cu titlul de Bachelor in Fizica Teoretica. A obtinut de asemenea diploma de Doctor in Stiinte Medicale la Facultatea de Medicina din Paris. Apoi, a urmat cursuri post-universitare in Finante si in Administrarea Afacerilor din cadrul Universitatii South Carolina din Columbia si ale Universitatii Franceze de Afaceri si Finante (HEC Paris, Franta). Dupa ce a activat o perioada indelungata ca Director Medical si ulterior ca General Manager, in 1992 a decis sa se concentreze in mod exclusiv asupra propriilor investitii si s-a lansat in tranzactionarea pietelor financiare. El locuieste in Paris, Franta, impreuna cu sotia si cele doua fiice.

EVALUARI ACADEMICE si de TRADERI

Prof. Oliver Henry Pruden, Golden Gate University, San Francisco, USA:

“Dr Mircea Dologa a dezvoltat conceptul de analiza pitchfork cu o maiestrie demna de urmat...”

Chuck LeBeau, trader, autor si lector, USA:

“Dr Mircea Dologa a urmat pasii cercetatorilor secolului 20, ridicand analiza pitchfork la un nivel de practica atat de cautat de catre practicienii traderi”.

Tony Plummer, trader, autor si lector, UK:

“Dr Mircea Dologa combina teoria modulara a tranzactionarii pietelor financiare cu practica sa de trading, de mai bine de doua decenii. Multe din tehnicile de tranzactionare prezentate in aceste trei volume sunt cu adevarat inovative. Ele reprezinta o adevarata mina (literal) de informatii pretioase”.

Dawn Bolton-Smith, membru-fondator al Asociatiei Australiene de Analiza Tehnica, analist tehnic senior si autor, Sydney, Australia:

“Dr Mircea Dologa aduce in aceste trei manuale o contributie uriasa pentru analiza tehnica. Instrumentele de trading originale expuse intra in arsenalul maestrilor traderi al secolului 21.”
