1. SEMINAR CLASSES - Our Courses (n° 1 to n° 11 – *listed below*), are taught in Real-Time environment, once the main theoretical topics have been presented to a mini-group class of 1 to max. 5 students, *even we prefer one-to-one basis. Most classes are taught:*

- in Europe, *especially Paris but also London and Frankfurt,*
- in United States, *mostly New York, Chicago, Los Angeles,*
- and also in *Dubai, Moscow, Hong Kong & Sydney.*

MOREOVER, the trainer has decided to really *SHARE and teach the “hands-on” training principle.* The student(s) is assisted from the *incipient stage of Learning Curve (Beginner’s first steps)* until the “nuts-and-bolts” *ultimate step, the “Over-the-Shoulder” Real-Time Trading Course (Course n° 11).* *It’s the only way, we know, to profitable trading consistency.*

Arranged Courses, can also be taught on one-to-one basis, in Paris or elsewhere worldwide

2. DATE SCHEDULE - The exact dates of classes will be arranged through the *e-mail*, at student’s convenience, once the student has manifested his/her interest (see *Registration procedure*, below).

3. COST DEDUCTIONS – To our knowledge, the cost of these courses can be deducted from the Income Tax Revenues, including *your* lodging & travelling expenses, if you are declared as a trader in your country. *Please inquire and confirm it with your local IRS office.* Naturally, the cost of courses are deducted as business expenses of your company.

4. SEJOURN COSTS - Our traditional French hospitality is well known. We offer every day the breakfast, the coffee-breaks and a gastronomic lunch with Bordeaux wine.

We can also assist our students for finding a clean & comfortable, *inexpensive Paris lodging*, for about a \$130 daily fee, only 8 minutes away from Champs-Élysées...

5. YOUR WIFE is INVITED – We gladly offer every day your wife’s lodging, breakfast and lunch. She will be able to enjoy Paris while you are learning... Or, she can also attend for a *consistent Discount*. It will certainly get you that rare “*peace of mind*” and her those rare to catch “*unforgettable*” memories...!

Bring her along and make her happy... ! She will never forget the *beauty and the charm of Paris* with all it has to offer: *Eiffel tower, Notre-Dame cathedral, “tiny fly-ship” excursions on La Seine river, Arc-de-Triumph tower, Champs Elysées – world’s biggest avenue, Louvre museum, Galleries Lafayette shopping center... !*

6. **Advanced GET eSignal CHARTING SOFTWARE** – we use it for many years and consider it one of the finest charting software around. It never let us down. This efficient and ergonomically (*easy-to-use*) designed software, more than fulfils our needs. Among other tools, the *False Stochastics*, an original (*proprietary*) feature, is worth alone, the entire monthly subscription. Check out, the *30-days free Trial*, at www.esignal.com !

7. FREE EXCEL PROGRAMS – the trainer has designed and executed several Excel mini-programs that compute: *the monthly, weekly & daily floor pivots*, the termination of *Elliott waves (W3, W5 and prior impulsive pattern correction)*, the *Gann stealth levels*, the *Gann hidden angles*, etc...! All these programs are offered to our students, upon demand

8. TEACHING SCHEDULE - The teaching is done from 07:00 to 17:00hrs Paris time, an enjoyable & profitable 10 hours learning experience, only paused by the coffee breaks and one hour lunch.
